Dear Mr. Adams:

Your notice(s) to conduct mining related operations on unpatented mining claims, UMC serial numbers 366429 to 366433, and 366188 to 366191, located in Sec. 12, T.13 S., R. 12 W., SLBM, and Sec. 18, T. 13 S., R. 11 W., SLBM, respectively, were received on October 13, 2000, and have been accepted by this office. Due to the close proximity of these notices to each other, our office will consider these one project, and we have assigned them case file number UTU-078288. Please use this number in any future correspondence concerning this notice.

If you change your operation from what is described in your notice, you are required to contact this office prior to the change. If your operation extends for more than one year, please advise this office on the status of your mining related activity on the anniversary date of your notice.

Enclosed is a copy of the Conditions of Acceptance for Bureau of Land Management (BLM) Mining Notices, stipulated by the Fillmore Field Office. Please follow these guidelines as they pertain to your operation.

We have forwarded a copy of your notice/plan of operations to the state Division of Oil, Gas and Mining (DOGM) for their review. Please be advised that you must receive written acceptance from DOGM before commencing active operations on your project area. DOGM requires the payment of permit application fees before acknowledging acceptance of a complete notice of intention. A \$100 fee is required to accompany new

notices for exploration or small mining operations (disturbing 5 or less surface acres); \$350 is required for large mining notices (plan of operation level projects over 5 disturbed acres but less than 50); or \$750 for large mining operation over 350 acres of surface disturbance. You may contact them at (801) 538-5291 for more information in this regard.

Also, all mining claimants and operators intending to use, store, or divert water are required by Utah and Federal statute to notify the following agencies:

Utah Department of Water Resources
1636 West North Temple
Salt Lake City, Utah 84180-1203

and

U. S. Army Corps of Engineers
Utah Regulatory Office
1403 South 600 West, Suite A
Bountiful, Utah 84010

A permit for explosives may be required from the Bureau of Alcohol, Tobacco, and Firearms (ATF). The address for ATF is:

125 South State Street
Salt Lake City, Utah 84145.

If ATF requires a permit, a copy of the permit should be submitted to this office.

You are required to report to this office, all hazardous materials associated with your operation along with information regarding their use, storage, transport, quantity, generation and disposal. Information regarding hazardous materials can be obtained from the State of Utah, Department of Environmental Quality, Division of Solid and Hazardous Waste at:

288 North 1460 West
Salt Lake City, Utah 84114-4880

You are required to contact the Department of Environmental Quality (DEQ), Emergency Response Section (ERS) at the Section's 24-hour response number (801-536-4123) immediately of a spill or discharge of hazardous substances.

If you are selling any minerals extracted during your mining activities, the U. S. Department of Labor, Mine Safety and Health Administration (MSHA) may consider your operation to be under its jurisdiction. We recommend you contact them at:

USDOL Mine Safety and Health Administration
125 South State, Room 8220
Salt Lake City, UT 84138

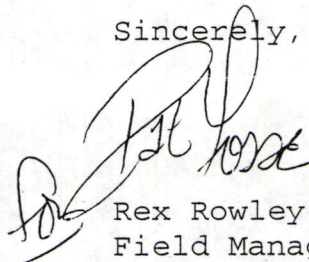

Failure to follow all State, Local, and Federal guidelines and/or regulations while operating on public lands may result in the issuance of a Notice of Noncompliance from the BLM.

As required by 43 CFR 3809, Surface Management Regulations, reasonable measures must be taken to prevent unnecessary or undue degradation of public lands and reclamation is required at the earliest feasible time. Please notify this office upon completion of operations and reclamation so an inspection may be conducted on the site. Reclamation under this notice is required to conform to the standards of the Utah Mined Land Reclamation Act.

Acceptance of your notice will not now, nor in the future, serve as a determination of the validity nor ownership of any mining claim included under your notice.

If you have any questions regarding this letter, please feel free to contact Larry Garahana at (435) 743-3126. Thank you for submitting your notice.

Sincerely,

Rex Rowley
Field Manager
